

## Recombinant D3DR Monoclonal Antibody

catalog number: AN302963L

**Note:** *Centrifuge before opening to ensure complete recovery of vial contents.*

### Description

|                     |                                 |
|---------------------|---------------------------------|
| <b>Reactivity</b>   | Human;Mouse;Rat                 |
| <b>Host</b>         | Rabbit                          |
| <b>Isotype</b>      | Rabbit IgG                      |
| <b>Clone</b>        | C112583                         |
| <b>Purification</b> | Protein A                       |
| <b>Buffer</b>       | 0.2 µm filtered solution in PBS |

### Applications

### Recommended Dilution

|              |                |
|--------------|----------------|
| <b>IHC</b>   | 1:200-1:1000   |
| <b>WB</b>    | 1:2000-1:10000 |
| <b>IF</b>    | 1:200-1:1000   |
| <b>ELISA</b> | 1:5000-1:20000 |

### Data

Immunohistochemical analysis of paraffin-embedded Mouse brain.

Immunohistochemical analysis of paraffin-embedded Rat brain.

### Preparation & Storage

|                 |                                                                                                                                                                                                                                                    |
|-----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Storage</b>  | This antibody can be stored at 2°C-8°C for one month without detectable loss of activity. Antibody products are stable for twelve months from date of receipt when stored at -20°C to -80°C. Preservative-Free. Avoid repeated freeze-thaw cycles. |
| <b>Shipping</b> | Ice bag                                                                                                                                                                                                                                            |
