# **Elabscience**®

# S100A4 Polyclonal Antibody

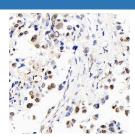

### catalog number: E-AB-70283

Note: Centrifuge before opening to ensure complete recovery of vial contents.

Description	
Reactivity	Human;Mouse;Rat
Immunogen	Recombinant protein corresponding to Mouse S100A4
Host	Rabbit
Isotype	IgG
Purification	Affinity purification
Buffer	Phosphate buffered solution, pH 7.4, containing 0.05% stabilizer, 1% protein
	protectant and 50% glycerol.
Applications	Recommended Dilution
WB	1:500-1:2000
IHC	1:300-1:800

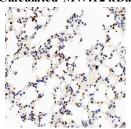

#### Data

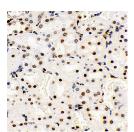

Western Blot analysis of various samples using S100A4 Polyclonal Antibody at dilution of 1:600.

#### Observed-MW:12 kDa Calculated-MW:12 kDa

Immunohistochemistry analysis of paraffin-embedded human lung cancer using S100A4 Polyclonal Antibody at dilution of 1:400.

Immunohistochemistry analysis of paraffin-embedded Mouse Immunohistochemistry analysis of paraffin-embedded Rat lung using S100A4 Polyclonal Antibody at dilution of 1:400.

kidney using S100A4 Polyclonal Antibody at dilution of 1:400.

Preparation & Storage	
Storage	Store at -20°C Valid for 12 months. Avoid freeze / thaw cycles.
Shipping	The product is shipped with ice pack, upon receipt, store it immediately at the
	temperature recommended.

S100A4 is a member of the S100 family of calcium-binding proteins. The S100 family members have been involved in the regulation of a number of cellular processes such as cell cycle progression and differentiation. S100A4 is known to localize to and function in the nucleus, cytoplasm of cells and the extracellular space. S100A4 has also been shown to be associated with tumor growth, motility, invasion, metastasis, angiogenesis, apoptosis and chemoresistance. It is a fibroblast-specific protein associated with mesenchymal cell morphology and motility, is expressed during epithelial-mesenchymal transformations (EMT) in vivo. It is an improved marker for lung fibroblasts that could be useful for investigating the pathogenesis of pulmonary fibrosis. Overexpression of S100A4 is correlated with a worse prognosis inpatients with various types of cancer.
