

## Recombinant O-Linked N-Acetylglucosamine Monoclonal Antibody

catalog number: AN302679L

**Note:** *Centrifuge before opening to ensure complete recovery of vial contents.*

| Description           |                                                                                                                                                                                                                                                    |
