Elab Fluor[®] 700 Anti-Human CD146 Antibody[AA98]

Catalog Number: E-AB-F1417M1

Note: Centrifuge before opening to ensure complete recovery of vial contents.

Description	
Reactivity	Human
Host	Mouse
lsotype	Mouse IgG2a, к
Clone No.	AA98
Isotype Control	Elab Fluor [®] 700 Mouse IgG2a, к Isotype Control[C1.18.4] [Product E-AB-F09802M1]
Conjugation	Elab Fluor [®] 700
Conjugation Information	Elab Fluor [®] 700 is designed to be excited by the Red laser (627-640 nm) and detected using an optical filter centered near 719 nm (e.g., a 725/40 nm bandpass filter).
Storage Buffer	Phosphate buffered solution, pH 7.2, containing 0.09% sodium azide and 1% BSA.
Applications	Recommended usage
FCM	Each lot of this antibody is quality control tested by flow cytometric analysis. The amount of the reagent is suggested to be used 5 μ L of antibody per test (million cells in 100 μ L staining volume or per 100 μ L of whole blood). Please check your vial before the experiment. Since applications vary, the appropriate dilutions must be determined for individual use.

Data

Staining of the Hela cells with Elab Fluor[®] 700 Anti-Human CD146 Antibody[AA98](filled gray histogram) or Elab Fluor[®] 700 Mouse IgG2a, κ Isotype Control(empty black histogram).Total viable cells were used for analysis.

Keep as concentrated solution.
This product can be stored at 2-8°C for 12 months. Please protected from prolonged
exposure to light and do not freeze.

Background

Elabscience Biotechnology Co., Ltd. A Reliable Research Partner in Life Science and Medicine

CD146 is a 118 kD integral transmembrane glycoprotein that is also known as MUC18, S-Endo, MCAM, and Mel-CAM (melanoma cell adhesion molecule). It belongs to the immunoglobulin superfamily. CD146 is expressed on melanoma cells, epithelial cells, endothelial cells, fibroblasts, activated T cells, multipotent mesenchymal stromal cells, and activated keratinocytes. CD146 mediates heterophilic cell adhesion and regulates monocyte transendothelial migration. The ligand of CD146 remains to be identified.
