

## Recombinant UFM1 Monoclonal Antibody

catalog number: AN303567L

**Note:** Centrifuge before opening to ensure complete recovery of vial contents.

| Description  |                                 |
|--------------|---------------------------------|
| Reactivity   | Human;Mouse;Rat                 |
| Host         | Rabbit                          |
| Isotype      | Rabbit IgG                      |
| Clone        | C123187                         |
| Purification | Affinity Purification           |
| Buffer       | 0.2 µm filtered solution in PBS |
| Applications | Recommended Dilution            |
| WB           | 1:1000                          |
| IHC-P        | 1:200-1:1000                    |
| IP           | 1:10-1:50                       |

## Data

Western Blot analysis of Jurkat cells using UFM1 Monoclonal Antibody at dilution of 1:1000.

**Observed-MW:9 kDa**  
**Calculated-MW:9 kDa**

Immunohistochemical analysis of paraffin-embedded Human lung cancer.

Western Blot analysis of 3T3, RAW264.7 cells using UFM1 Monoclonal Antibody at dilution of 1:1000.

**Observed-MW:9 kDa**  
**Calculated-MW:9 kDa**

## Preparation & Storage

|                 |                                                                                                                                                                                                                                                    |
|-----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Storage</b>  | This antibody can be stored at 2°C-8°C for one month without detectable loss of activity. Antibody products are stable for twelve months from date of receipt when stored at -20°C to -80°C. Preservative-Free. Avoid repeated freeze-thaw cycles. |
| <b>Shipping</b> | Ice bag                                                                                                                                                                                                                                            |
