Recombinant Human Interleukin-2/IL-2 Protein (His Tag)

Catalog Number: PKSH032629

Note: Centrifuge before opening to ensure complete recovery of vial contents.

T		4.0

Species Human

Source HEK293 Cells-derived Human Interleukin-2;IL-2 protein Ala21-Thr153, with an C-

terminal His

Calculated MW16.4 kDaObserved MW14-18 kDaAccessionP60568

Bio-activity Measured in a cell proliferation assay using CTLL-2 mouse cytotoxic T cells The

specific activity of Recombinant Human IL-2 is $\ge 1 \times 10^7$ IU/mg.

Properties

Purity > 95 % as determined by reducing SDS-PAGE.

Endotoxin < 0.01 EU per μ g of the protein as determined by the LAL method.

Storage Generally, lyophilized proteins are stable for up to 12 months when stored at -20 to -80

°C. Reconstituted protein solution can be stored at 4-8°C for 2-7 days. Aliquots of

reconstituted samples are stable at < -20°C for 3 months.

Shipping This product is provided as lyophilized powder which is shipped with ice packs.
Formulation Lyophilized from a 0.2 μm filtered solution of 10mM Sodium Citrate, 4% Mannitol,

pH4.0

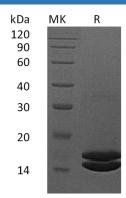

Normally 5% - 8% trehalose, mannitol and 0.01% Tween 80 are added as protectants

before lyophilization.

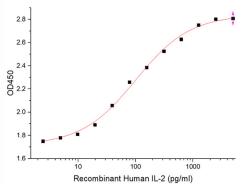

Please refer to the specific buffer information in the printed manual.

Reconstitution Please refer to the printed manual for detailed information.

Data

Measured in a cell proliferation assay using CTLL-2 mouse cytotoxic T cells The specific activity of Recombinant

Human IL-2 is $\ge 1 \times 10^7$ IU/mg.

Background

Elabscience®

Interleukin-2(IL-2) is an interleukin; a type of cytokine signaling molecule in the immune system; belongs to the IL-2 family. It is a powerful immunoregulatory lymphokine produced by T-cells in response to antigenic or mitogenic stimulation. IL-2/IL-2R signaling is required for T-cell proliferation and other fundamental functions that are essential for the immune response. IL-2 stimulates growth and differentiation of B-cells; NK cells; lymphokine-activated killer cells; monocytes; macrophages and oligodendrocytes.
