Elabscience®

CAMK2A Polyclonal Antibody

catalog number: E-AB-19660

Note: Centrifuge before opening to ensure complete recovery of vial contents.

Description		
Reactivity	Human;Mouse;Rat	
Immunogen	Synthetic peptide of human CAMK2A	
Host	Rabbit	
Isotype	IgG	
Purification	Antigen affinity purification	
Conjugation	Unconjugated	
Buffer	Phosphate buffered solution, pH 7.4, containing 0.05% stabilizer and 50% glycerol.	
Applications	Recommended Dilution	
IHC	1:40-1:200	
Data		
Immunohistochemistry of	of paraffin-embedded Human liver	Immunohistochemistry of paraffin-embedded Human
Immunohistochemistry C cancer tissue using CA	AMK2A Polyclonal Antibody at	ovarian cancer tissue using CAMK2A Polyclonal Antibody
Immunohistochemistry of cancer tissue using CA dilutio	•	• •
Immunohistochemistry C cancer tissue using CA	AMK2A Polyclonal Antibody at on of 1:55(×200)	ovarian cancer tissue using CAMK2A Polyclonal Antibody at dilution of 1:55(×200)
Immunohistochemistry of cancer tissue using CA dilutio	AMK2A Polyclonal Antibody at on of 1:55(×200)	ovarian cancer tissue using CAMK2A Polyclonal Antibody
Immunohistochemistry of cancer tissue using CA dilution Preparation & Storage	AMK2A Polyclonal Antibody at on of 1:55(×200) Store at -20°C Valid for 12	ovarian cancer tissue using CAMK2A Polyclonal Antibody at dilution of 1:55(×200)

Background

The product of this gene belongs to the serine/threonine protein kinases family, and to the Ca(2+)/calmodulindependent protein kinases subfamily.Calcium signaling is crucial for several aspects of plasticity at glutamatergic synapses.This calcium calmodulin-dependent protein kinase is composed of four different chains: alpha, beta, gamma, and delta.The alpha chain encoded by this gene is required for hippocampal long-term potentiation (LTP) and spatial learning.In addition to its calcium-calmodulin (CaM)-dependent activity, this protein can undergo autophosphorylation, resulting in CaM-independent activity.Two transcript variants encoding distinct isoforms have been identified for this gene.
