CK-7 Monoclonal Antibody

catalog number: **E-AB-70293**

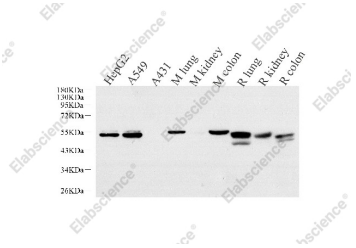

Note: *Centrifuge before opening to ensure complete recovery of vial contents.*

Description

Reactivity	Human;Mouse;Rat
Immunogen	Recombinant protein corresponding to Mouse Cytokeratin 7
Host	Mouse
Isotype	Mouse IgG
Clone	7D8G8
Purification	Affinity purification
Conjugation	Unconjugated
Buffer	Phosphate buffered solution, pH 7.4, containing 0.05% stabilizer, 1% protein protectant and 50% glycerol.

Applications	Recommended Dilution
WB	1:500-1:2000
IHC	1:100-1:500

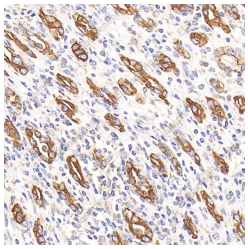

Data

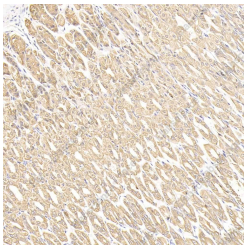

Western Blot analysis of various samples using CK-7 Monoclonal Antibody at dilution of 1:1000.

Observed-MW:51 kDa

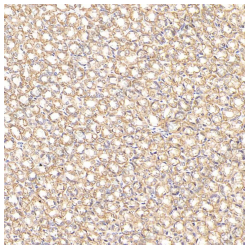

Calculated-MW:51 kDa

Immunohistochemistry analysis of paraffin-embedded human stomach cancer using CK-7 Monoclonal Antibody at dilution of 1:300.

Immunohistochemistry analysis of paraffin-embedded mouse stomach cancer using CK-7 Monoclonal Antibody at dilution of 1:300.

Immunohistochemistry analysis of paraffin-embedded Rat stomach cancer using CK-7 Monoclonal Antibody at dilution of 1:300.

Preparation & Storage

Storage	Store at -20°C Valid for 12 months. Avoid freeze/thaw cycles.
Shipping	The product is shipped with ice pack,upon receipt,store it immediately at the temperature recommended.

Keratins are a large family of proteins that form the intermediate filament cytoskeleton of epithelial cells, which are classified into two major sequence types. Type I keratins are a group of acidic intermediate filament proteins, including K9–K23, and the hair keratins Ha1–Ha8. Type II keratins are the basic or neutral courterparts to the acidic type I keratins, including K1–K8, and the hair keratins, Hb1–Hb6. KRT7, also named as cytokeratin 7, is one member of type II basic cytokeratin. It is specifically expressed in the simple epithelia lining the cavities of the internal organs and in the gland ducts and blood vessels, and their neoplasms. KRT7 is marker of epithelial tissues, but not present in carcinomas of stratified squamous cell origin. This antibody is specifically against KRT7.
