

## Recombinant ACADV Monoclonal Antibody

catalog number: AN302952L

**Note:** *Centrifuge before opening to ensure complete recovery of vial contents.*

### Description

|              |                                 |
|--------------|---------------------------------|
| Reactivity   | Human                           |
| Host         | Rabbit                          |
| Isotype      | Rabbit IgG                      |
| Clone        | C312572                         |
| Purification | Protein A                       |
| Buffer       | 0.2 µm filtered solution in PBS |

### Applications

### Recommended Dilution

|       |                |
|-------|----------------|
| IHC   | 1:200-1:1000   |
| WB    | 1:2000-1:10000 |
| IF    | 1:200-1:1000   |
| ELISA | 1:5000-1:20000 |
| IP    | 1:50-1:200     |

### Data

Immunohistochemical analysis of paraffin-embedded  
Human heart muscle.

### Preparation & Storage

|          |                                                                                                                                                                                                                                                    |
|----------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Storage  | This antibody can be stored at 2°C-8°C for one month without detectable loss of activity. Antibody products are stable for twelve months from date of receipt when stored at -20°C to -80°C. Preservative-Free. Avoid repeated freeze-thaw cycles. |
| Shipping | Ice bag                                                                                                                                                                                                                                            |
