

## MORF4L1 Polyclonal Antibody

catalog number: E-AB-19411

**Note:** Centrifuge before opening to ensure complete recovery of vial contents.

### Description

|                     |                                                                                    |
|---------------------|------------------------------------------------------------------------------------|
| <b>Reactivity</b>   | Human;Mouse;Rat                                                                    |
| <b>Immunogen</b>    | Synthetic peptide of human MORF4L1                                                 |
| <b>Host</b>         | Rabbit                                                                             |
| <b>Isotype</b>      | Rabbit IgG                                                                         |
| <b>Purification</b> | Antigen affinity purification                                                      |
| <b>Buffer</b>       | Phosphate buffered solution, pH 7.4, containing 0.05% stabilizer and 50% glycerol. |

### Applications

### Recommended Dilution

|            |              |
|------------|--------------|
| <b>WB</b>  | 1:500-1:2000 |
| <b>IHC</b> | 1:25-1:100   |

### Data

Western blot analysis of Human fetal liver tissue Hela cell and Human fetal brain tissue using MORF4L1 Polyclonal Antibody at dilution of 1:350

Immunohistochemistry of paraffin-embedded Human lung cancer tissue using MORF4L1 Polyclonal Antibody at dilution of 1:30(×200)

**Observed-MW: Refer to figures**  
**Calculated-MW: 41 kDa**

Immunohistochemistry of paraffin-embedded Human esophagus cancer tissue using MORF4L1 Polyclonal Antibody at dilution of 1:30(×200)

### Preparation & Storage

|                 |                                                                                                          |
|-----------------|----------------------------------------------------------------------------------------------------------|
| <b>Storage</b>  | Store at -20°C Valid for 12 months. Avoid freeze / thaw cycles.                                          |
| <b>Shipping</b> | The product is shipped with ice pack, upon receipt, store it immediately at the temperature recommended. |

Rev. V1.8

MORF4L1 (also known as MRG15) and MORF4-related gene X (MRGX). The human MORF4 gene maps to chromosome 4q33-q34.1. MORF4 induces a senescent-like phenotype in complementation group B immortal cell lines. The genes encoding MRG15 and MRGX map to chromosomes 15q24 and Xq22, respectively. MORF4, MORF4L1 and MRGX each contain a C-terminal leucine zipper. An association between MORF4L1, Rb (retinoblastoma tumor suppressor) and PAM14 (protein associated with MORF4L1) suggests a role for MORF4L1 in transcription regulation
