

## FAM84B Polyclonal Antibody

catalog number: E-AB-17945

**Note:** *Centrifuge before opening to ensure complete recovery of vial contents.*

### Description

|                     |                                                                                    |
|---------------------|------------------------------------------------------------------------------------|
| <b>Reactivity</b>   | Human                                                                              |
| <b>Immunogen</b>    | Synthetic peptide of human FAM84B                                                  |
| <b>Host</b>         | Rabbit                                                                             |
| <b>Isotype</b>      | Rabbit IgG                                                                         |
| <b>Purification</b> | Antigen affinity purification                                                      |
| <b>Buffer</b>       | Phosphate buffered solution, pH 7.4, containing 0.05% stabilizer and 50% glycerol. |

### Applications

### Recommended Dilution

|            |              |
|------------|--------------|
| <b>WB</b>  | 1:500-1:2000 |
| <b>IHC</b> | 1:50-1:300   |

### Data

Western blot analysis of HUVEC and PC3 cell lysates using FAM84B Polyclonal Antibody at dilution of 1:400

**Observed-MW: Refer to figures**

**Calculated-MW: 34 kDa**

Immunohistochemistry of paraffin-embedded Human thyroid cancer tissue using FAM84B Polyclonal Antibody at dilution of 1:70(×200)

Immunohistochemistry of paraffin-embedded Human esophagus cancer tissue using FAM84B Polyclonal Antibody at dilution of 1:70(×200)

### Preparation & Storage

|                 |                                                                                                          |
|-----------------|----------------------------------------------------------------------------------------------------------|
| <b>Storage</b>  | Store at -20°C Valid for 12 months. Avoid freeze / thaw cycles.                                          |
| <b>Shipping</b> | The product is shipped with ice pack, upon receipt, store it immediately at the temperature recommended. |

### Background

FAM84B (Family With Sequence Similarity 84 Member B) is a Protein Coding gene. Diseases associated with FAM84B include Prostate Cancer Susceptibility. An important paralog of this gene is FAM84A.
