## Elabscience Biotechnology Co., Ltd.

A Reliable Research Partner in Life Science and Medicine

# **SIRT1 Polyclonal Antibody**

catalog number: E-AB-70071

Note: Centrifuge before opening to ensure complete recovery of vial contents.

#### Description

Reactivity Human; Mouse; Rat

**Immunogen** KLH conjugated Synthetic peptide corresponding to Mouse SIRT1

Host Rabbit **Is otype IgG** 

Purification Affinity purification Conjugation Unconjugated

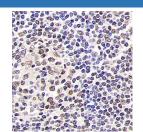

**Buffer** Phosphate buffered solution, pH 7.4, containing 0.05% stabilizer, 1% protein

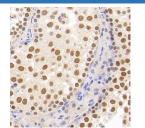

protectant and 50% glycerol.

**Recommended Dilution Applications** 

1:200-1:800 **IHC** 

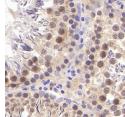

#### Data

Immunohistochemistry analysis of paraffin-embedded human tonsil using SIRT1 Polyclonal Antibody at dilution of 1:500. mouse testis using SIRT1 Polyclonal Antibody at dilution of

Immunohistochemistry analysis of paraffin-embedded 1:500.

Immunohistochemistry analysis of paraffin-embedded Rat testis using SIRT1 Polyclonal Antibody at dilution of 1:300.

#### **Preparation & Storage**

Store at -20°C Valid for 12 months. Avoid freeze / thaw cycles. Storage

Shipping The product is shipped with ice pack, upon receipt, store it immediately at the

temperature recommended.

#### Background

#### For Research Use Only

# **Elabscience®**

### Elabscience Biotechnology Co., Ltd.

A Reliable Research Partner in Life Science and Medicine

SIRT1, also named as SIR2L1, contains a deacetylase sirtuin-type domain and belongs to the sirtuin family. It regulates processes such as apoptosis and muscle differentiation by deacetylating key proteins. SIRT1 in particular initiates several signalling events relevant to cardioprotection, including: activation of endothelial nitric oxide synthase, insulin receptor signalling, and autophagy. In addition SIRT1 activation elicits resistance to oxidative stress via regulation of transcription factors and co-activators such as FOXO, Hif-2a, and NF-kB. SIRT1 regulates the p53-dependent DNA damage response pathway by binding to and deacetylating p53, specifically at Lysine 382.
